### **Bumble Bee Door Knocker – *Complete with Fixing Screws***

This beautiful, heavy door knocker is designed in the shape of a bumble bee. It is pleasantly audible in a resounding yet homely way. Simple fixings make it easy to fit, creating the latest buzz on your front door.

### **Approximate Dimensions:**

Width 'wing to wing' – 12.7cm

Height – 11.2cm

Ring Diameter – 3.8cm

Screw holes distance – 3cm

### **How to care for your Bumble Bee door knocker:**

Your door knocker should just be washed with warm soapy water. Always avoid using abrasive materials which could scratch the surface.
